25X1 4. [ ] In a phone conversation with Bill Woodruff,  
Senate Appropriations Committee staff, following up his conversation with  
25X1 [ ] yesterday, I explained that the Director welcomed Woodruff's  
suggestion that Woodruff come out and have a preliminary discussion with  
us prior to our appearance before the CIA Subcommittee of Senate Appropriations  
now planned for the week of 18 May. Woodruff said he was still uncertain  
whether Senator Russell would be back by then, but he rather felt if not  
Senator Russell would wish the hearings to go ahead under the Chairmanship  
of Senator Ellender. I told Woodruff this might cause us some concern  
since some complicated and controversial problems are likely to come up  
and we would feel more comfortable if Russell were in the chair in order  
to keep things from getting off the track. Woodruff said this might be true  
but whether Russell was here or not we should be prepared to answer a  
number of sharp questions regarding intelligence aspects of the [ ]  
operation. 25X1

Later in the day Woodruff called back to say he had telephoned  
Russell and Russell was firm in saying that we should go ahead and appear  
under Ellender's chairmanship (we got the implication that Russell is not  
expected to return in the near future).

25X1 5. [ ] Delivered to Mr. Bernard Poirier,  
Special Assistant to Senator Mike Gravel (D., Alaska), an unclassified  
map of Soviet oil and gas pipelines. (See Journal item of 30 April.)

25X1 6. [ ] Mr. John Clarke, OPPB, and [ ] 25X1  
[ ] met separately with Mr. Ralph Preston, House Appropriations  
25X1 Committee staff, and Mr. William Woodruff, Senate Appropriations  
Committee staff, and delivered to them for their respective Chairmen  
a copy of the Agency's budget for FY 1971. See Mr. Clarke's Memoranda  
for the Record.

25X1 7. [ ] Received a call from Mr. Ralph Preston, House  
Appropriations Committee staff, who advised that Chairman Mahon would  
like to have a meeting of the CIA Subcommittee Monday, 11 May, at 2:00 p.m.  
in room HB18 of the Capitol. Mr. Preston suggested several topics for  
conversation during the briefing. (see Memorandum for the Record).

After Mr. Maury confirmed the meeting time with the Director,  
Mr. Preston was advised.
